

Board of Water Supply  
Customer Service Division  
630 South Beretania Street  
Honolulu, Hawaii 96843

Date: \_\_\_\_\_

Premise ID#: \_\_\_\_\_

Gentlemen:

Subject: **Conditions for Water Service Above the Service Limit**

I, \_\_\_\_\_, request that water service be made available to  
(Owner - Print Name)  
my property, TMK: \_\_\_\_\_: \_\_\_\_\_, which street address is  
\_\_\_\_\_, and agree to the following  
conditions in order to receive water service.

1. Execute an elevation agreement with the Board of Water Supply.
2. Submit a current title search by certified title company (dated no earlier than four months prior to the date of this application) within 30 calendar days after date of this application with signature(s) notarized. (\*)

\* If submitting title search prior to signing of building permit, no notarized signature(s) required.

3. Wherever the lowest living floor elevation of any dwelling on the property is less than 70 feet below the spillway elevation of the reservoir, a receiving tank with air gap, in accordance with the BWS requirements, and a pump shall be installed. Plans for the receiving tank shall be accompanied by a building permit application and submitted to BWS for review and approval within 30 calendar days after date of this application. The BWS shall not install any new water service until the building permit application is reviewed and approved.
4. If the lot is sold, after the date of this agreement and prior to the final execution of the elevation agreement, I will:
  - a. Inform the new owner(s), in writing and with acknowledged receipt, of the requirements to submit a signed "Conditions for Water Service Above the Service Limit" form to BWS prior to the change of billing service holder. In addition, inform owner(s) of their responsibility to comply with all requirements as stipulated in the conditions for receiving or continuing to receive water service.
  - b. Send copy of the above letter along with the new owner(s) acknowledgment of the requirements to the Board of Water Supply.

Water service will be terminated if any of the above conditions are not met.
