CHEMICAL-FREE INSECT & PEST TRAPS

Manageable Pest Control Workshop at the Halawa Xeriscape Garden

WHAT: Do you need an out-of-the-box solution for what plagues your gardens and landscapes without resorting to using harsh chemicals? Then this is the workshop for you! The Board of Water Supply (BWS) and Friends of Halawa Xeriscape Garden (FOHXG) are committed to the old adage, “what goes on the ground ends up in our drinking water,” and supports chemical-free maintenance techniques outdoors. The surprisingly effective techniques will change the way you garden!

WHEN: Saturday, March 15, 2014
10:30 a.m. to 12:00 p.m.

WHERE: Halawa Xeriscape Garden
99-1268 Iwaena Street
Halawa Valley’s Central Park Industrial Area

COST: \$5.00 for non-members; FOHXG members may receive a discount on the lecture fee, depending on membership level.

DETAILS: This fun, innovative workshop teaches Integrated Pest Management (IPM) techniques, companion planting, and how to make creative pest traps from repurposed materials at home. Participants will take home a homemade mosquito or fly trap. **All participants are required to supply a plastic liter bottle for the workshop.**

REGISTER: **Advanced Registration is Required.** Registration opens on Tuesday, February 25, 2014, and closes at 2:00 p.m. on Friday, March 14, 2014, or when all spaces are filled. Call 748-5363 or email workshops@hbws.org to register. For more information about xeriscaping or classes at the Halawa Xeriscape Garden, log on to www.boardofwatersupply.com. BWS security requires full name and address of all participants.
