## CREATE YOUR OWN KITTY PLANTERS

*Whimsical Reusable Workshop at the Halawa Xeriscape Garden*

- WHAT:** Create a planter from a recycled milk jug and minimize waste that goes to a landfill! You can even start your succulents for landscapes in these creative containers. A hands-on workshop offered by the Board of Water Supply (BWS) and Friends of Halawa Xeriscape Garden (FOHXG) will show you how to create a cute kitty cat planter.
- WHEN:** Saturday, January 9, 2016  
10:30 a.m. to 12:00 p.m.
- WHERE:** Halawa Xeriscape Garden  
99-1268 Iwaena Street  
Halawa Valley's Central Park Industrial Area
- DETAILS:** You'll enjoy converting a recycled plastic milk jug into a whimsical planter. With an ounce of creativity, a little bit of paint, some planting soil, and a drought tolerant plant, participants can design artful containers that are practical and simple to create. (Participants must bring their own milk jug.) You'll also learn a few tips for using succulents in containers. Did you know what succulents don't require a lot of water to survive?
- COST:** \$8 for non-members and \$3 for supporting, corporate and life-time members of the FOHXG.
- REGISTER:** **Advanced registration is Required.** Registration opens on Tuesday, December 22, 2015, and closes at 2:00 p.m. on Friday, January 8, 2016, or when all spaces are filled. Call 748-5320 or email [workshops@hbws.org](mailto:workshops@hbws.org) to register. For more information about xeriscaping or classes at the Halawa Xeriscape Garden, log on to [www.boardofwatersupply.com](http://www.boardofwatersupply.com). BWS security requires full name and address of all participants.
