BOARD OF WATER SUPPLY'S HALAWA XERISCAPE GARDEN CLOSURE DATES

WHAT: The Board of Water Supply's (BWS) Halawa Xeriscape Garden will be closed to the general public on Wednesday, September 14 at 11:00 a.m., Saturday September 17, and Wednesday, September 21.

WHERE: Halawa Xeriscape Garden
99-1268 Iwaena Street
Halawa Valley's Central Park Industrial Area

DETAILS: The Halawa Xeriscape garden will be closed to the general public on Wednesday, September 14 (open 9:00 a.m. to 11:00 a.m. and closed 11:00 a.m. to 3:00 p.m.), and Saturday, September 17 and Wednesday, September 21 while HECO works to replace utility poles in and around the garden. The Seed of the Month will not be available for pick-up during those dates and hours.

The garden will be open to the public during normal hours from 9:00 a.m. to 3:00 p.m. on all other Wednesdays and Saturdays in the month of September.

The Halawa Xeriscape Garden is a three-acre demonstration garden that displays a series of unthirsty, water-conserving plants in a visually attractive garden. The BWS opened the garden to the public in September 1989 as a way to educate Oahu residents on ways to save water outdoors in lawns, gardens, and landscaped areas.

For more information contact the BWS Communications Office at (808) 748-5041 or by email at contactus@hbws.org.
