**BOARD OF WATER SUPPLY'S HALAWA XERISCAPE GARDEN
CLOSURE DATES FOR THE MONTH OF DECEMBER**

WHAT: The Board of Water Supply's (BWS) Halawa Xeriscape Garden will be closed to the general public on Wednesday, December 14, 2016 and Saturday, December 24 & 31, 2016. The garden will be open to the public during normal hours from 9:00 a.m. to 3:00 p.m. on all other Wednesdays and Saturdays in the month of December.

WHERE: Halawa Xeriscape Garden
99-1268 Iwaena Street
Halawa Valley's Central Park Industrial Area

DETAILS: The Halawa Xeriscape Garden will be closed on Wednesday, December 14, 2016 and Saturday, December 24 & 31, 2016. The Seed of the Month will not be available for pick up on those dates. The garden will be open to the public during normal hours from 9:00 a.m. to 3:00 p.m. on all other Wednesdays and Saturdays in the month of December where the community may visit the garden to enjoy a self-guided tour.

The Halawa Xeriscape Garden is a three-acre demonstration garden that displays a series of unthirsty, water-conserving plants in a visually attractive garden. The BWS opened the garden to the public in September 1989 as a way to educate Oahu residents on ways to save water outdoors in lawns, gardens, and landscaped areas.

For more information contact the BWS Communications Office at (808) 748-5041 or by email at contactus@hbws.org.
