WHERE: Halawa Xeriscape Garden

DETAILS: Bring the whole family to the Halawa Xeriscape Garden Open House and Unthirsty Plant Sale. This free event is the perfect opportunity to learn about xeriscaping—an innovative and creative way to conserve water through efficient landscaping, resulting in money saved on your water bill.

Attendees can choose from a variety of exotic, less-thirsty and native plants from FOHXG and local nurseries at moderate prices. The event will also feature free Xeriscape workshops by master gardeners and botanical experts, a free compost giveaway, a cactus display, keiki activities, guided garden tours, ono food, and much more! Bring the family to enjoy a fun-filled day at the Plant Sale and most importantly, gain valuable insights on how to conserve water outdoors and save money.

Proceeds will help to support educational programs and classes at the Halawa Xeriscape Garden. For more information on the Plant Sale or xeriscaping, please call the BWS Communications Office at 748-5041 or visit www.boardofwatersupply.com.

PARKING: Vehicular traffic will be restricted in the garden. Visitors should park along Iwaena or Iwaiwa Streets. A free shuttle will run along Iwaena Street from 8:30 a.m. to 3:30 p.m.
