

## Board of Water Supply Water Upon Request Table Tent Order Form

In an effort preserve and protect Oahu's finite water resources, the Honolulu Board of Water Supply (BWS) adopted a rule, effective January 1, 1992, prohibiting automatic serving of water to customers at Oahu restaurants. To assist you in your efforts to comply with this rule, the BWS has produced table tents available to download and print. Or if you wish to obtain a supply of these cards, please fill out this request form.
