DATE: May 22, 2019

TO: ERNEST Y. W. LAU, P.E.
MANAGER AND CHIEF ENGINEER

VIA: PROCUREMENT OFFICE

FROM: JENNIFER ELFLEIN
PROGRAM ADMINISTRATOR, CUSTOMER CARE DIVISION

SUBJECT: REQUEST FOR SOLE SOURCE AWARD

Pursuant to section 103D-306, of the Hawaii Revised Statutes (HRS) and Subchapter 9, Chapter 3-122 of the Hawaii Administrative Rules, I am requesting that a sole source award be approved to purchase the following:

Vender Name and Address:

Wong's Equipment
841 Pohukaina Street, B-1
Honolulu, Hawaii 96813

Amount of the Purchase: \$26,964.39

Term of the Contract: One time purchase

Prior Sole Source numbers and dates: BWS 19-01-SS dated July 6, 2018

Description of goods to be purchased:

The vLoc3-9800 – 5 watt kit w/carrying bag 5" inductive clamp
The VM-880 – Ferromagnetic Locator
The HL-50-BT – Municipal Set w/Pam-B2 sensor, 10' cable
The VM-480B – Split box locator
The 200766 – Search handle

Explanation how the unique features, characteristics or capabilities are required for BWS use:

The BWS Investigation section uses various locators and sounding devices to locate underground utility lines for contractors, and assist BWS Field Operation crews in locating leaks, water mains, service laterals, and other appurtenances. The different types of equipment also serve specific purposes in pinpointing water main breaks, leaks and missing appurtenances. It is vital to identify the location of underground utilities to ensure the safety of the crews and to prevent any damage to BWS and other underground utility lines. This equipment will be used for new investigators and also to replace old, worn and out dated equipment.

Other possible sources for the goods:

None – Wong's Equipment and Service LLC is the sole source supplier for Vivax/Metrotech and SebaKMT products to the State of Hawaii. See attached letters dated May 16, 2019 and May 15, 2019 respectively, from the vendors.

I certify that the information provided above is to the best of my knowledge, true, correct and that the goods described above are available through only one (1) source.
